It's a remarkable experience to observe these skilled young riders and their faithful steeds as they embark on a challenging 20-kilometer race, competing against over 300 other horse and jockey pairs. Following the race, we'll indulge in a traditional Mongolian lunch featuring Huushuur, a delightful culinary delight. Not only that, we will enjoy a Naadam Gala Dinner and a Folk Concert in the evening. The highlight of the Mongolian festival calendar, the Naadam Festival dates back several centuries and takes place each year on July 11-13. Originally an assessment of a nomad's abilities, it requires power, endurance, and precise marksmanship, as well as a host of horse skills. Understandably, given the role of the horse in Mongolia, much significance is placed on the horse races. Herdsmen arrive from hundreds of miles to join in - as well as those from cities and towns. Amazingly, the races are staged on the vast steppe itself, which covers almost 20 miles. Overnight stay in a hotel. (B/L/D).

Get ready to escape the city for an exhilarating day of adventure and breathtaking scenery. Our first destination is the renowned Chinggis Khaan Statue Complex, where you'll witness a truly extraordinary sight. This colossal and gleaming statue stands as the world's largest equestrian monument dedicated to Chinggis Khaan, an iconic historical figure. After this captivating visit, our journey

continues to Terelj National Park. Deep within Terelj, we'll delight in a sumptuous lunch at a ger camp, and then we'll set out to explore the park's natural marvels. Our initial stop within the park will be at Turtle Rock, an intriguing rock formation, and Ariyabala Temple, which provides a breathtaking panoramic view of the entire park. As the day draws to a close, we'll head back to the city, and you'll be conveniently transferred back to your hotel. Breakfast, lunch, and dinner are all considerably included, ensuring a day filled with exploration and culinary delights. The total driving distance for the day will be approximately 200 kilometers (125 miles). (B/L/D).
